We are happy to announce that ZaChoeje Rinpoche will offer the Vajrasattva Empowerment / Retreat May 20-25, 2011. We are fortunate to have the opportunity to attend a 5-day retreat with an authentic Lama.

Vajrasattva is considered an enlightened emanation of the essence of all the Buddhas' positive potential, one who applies the nectar of pristine awareness to purify all obscurations and alleviate the suffering of sentient beings.

Vajrasattva's hundred-syllable mantra and the light nectar of pristine awareness illuminate the boundless realms of the universe and dispel the darkness of all negativities and obstacles.
