Long Life Prayer for ZaChoeje Rinpoche

Hail to the three-fold infallible objects of refuge,
And the assemblage of deities of longevity,
Who if relied upon, fulfill all our wishes,
And shower forth goodness and well being in
Samsara and beyond.

I pray to the glorious and unequalled Master,
Who is unrivaled in disseminating the sublime
Buddha's teachings, According to the
tradition of Lama Tsongkhapa,
The supreme holder of the immaculate Dharma
of the Buddha.

Perfectly trained in listening, contemplating and meditating,
Upon the tradition of Lama Tsongkhapa,
You are skilled in delivering countless
beings to ultimate liberation,
May you, O benefactor of all beings and the Dharma, live long!

Being wise, devoted and benevolent,
You are endowed with the qualities of a noble being,
Enriched with the Dharma, you possess the
marks of a perfect teacher.
May you live long for the glory of the Dharma.

Through kindness of ocean-like infinite fields of refuge,
The power of the primordial pure and profound suchness,
And unwavering faith and unchanging reverence,
May all my sincere wishes and prayers be eventually fulfilled.
